## Cat Crackers

### Ingredients:

- 6 ounces of undrained tuna
- 1 cup cornmeal
- 1 cup flour
- 1/3 cup water

### Instructions:

Preheat the oven to 350 degrees. Measure all of the ingredients into a bowl and mix thoroughly with your hands. Roll out to ¼-inch thickness and cut into treat-sized pieces. Place on a greased cookie sheet. Bake for about 20 minutes or until golden.

Tip: Moderation is the key to giving treats. They should make up a very small part of a cat's diet, no more than 10%, and should be given only two or three times a week.
