

## TIP SHEET: Imprivata Enrollment (SMS)

Effective December 01, 2021

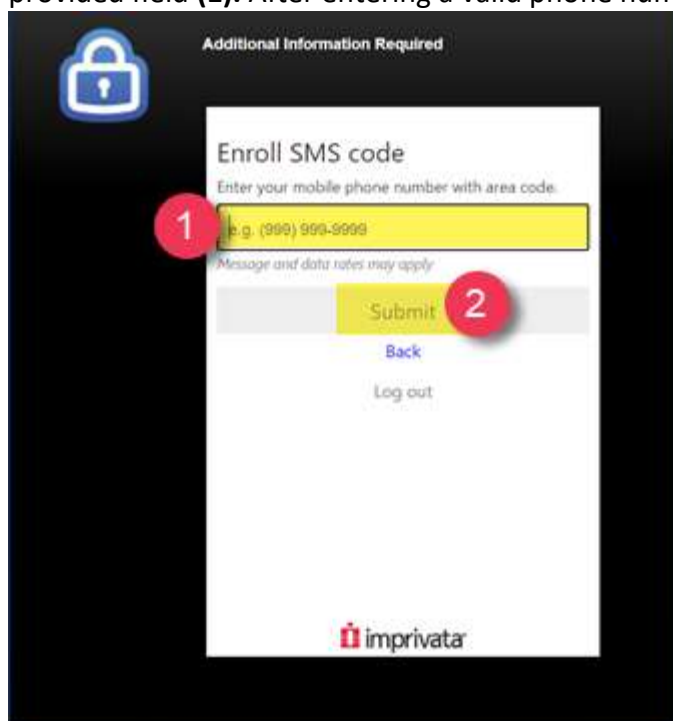

1. Navigate to one of the external portals and login using your network username and password.
  - a. [Employee's Portal](#)
  - b. [Physician's Portal](#)
  - c. [Partner's Portal](#)
2. After logging in, you will be presented with the *Imprivata ID* enrollment page. Under the *Enroll Imprivata ID* button, click the link that says **Enroll another method**.

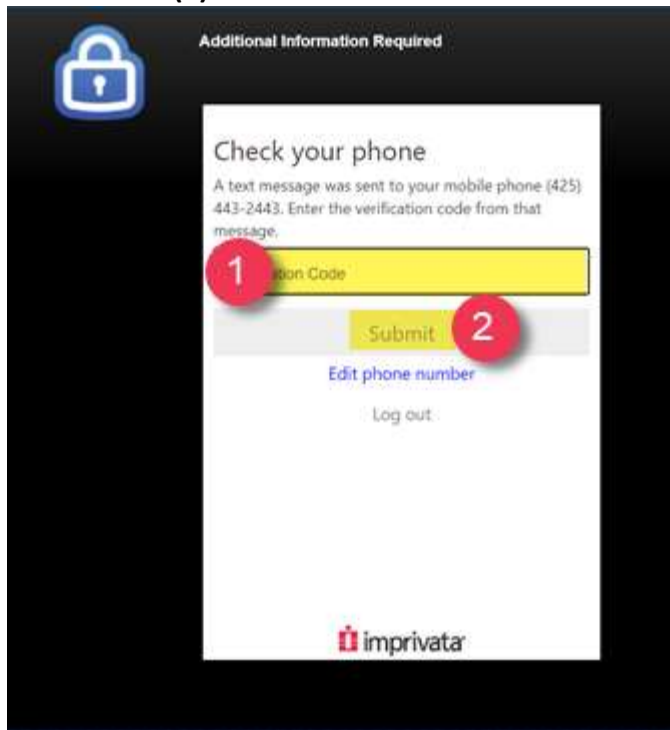

3. This will bring you to the *Establish a backup method* window. Click on **Enroll SMS code**.

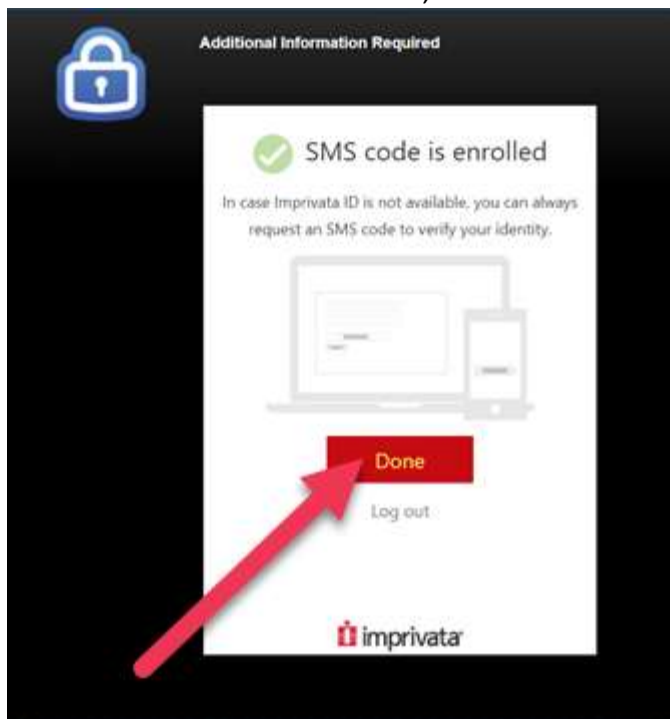

4. You will be presented with the *Enroll SMS code* window. Enter your phone number in the provided field **(1)**. After entering a valid phone number, click **Submit (2)**.

5. You will now be at the *Check your phone* window. You will receive a 6-digit code on your cell phone via SMS messaging. Enter that 6-digit code into the *Verification Code* field **(1)**, then click **Submit (2)**

6. This completes your Imprivata Enrollment via SMS Messaging and you be taken to the verification window. From here, click **Done** to complete the process.

7. If your enrollment is successful, you will be redirected to the *Citrix Storefront*
